## SANDING SEALERS

	500ml	1ltr	5ltr
<b><i>Acrylic Sanding Sealer</i></b>	£9.95	£17.95	£62.39
A water based sanding sealer which dries quickly and sands easily, giving a perfect basecoat for Chestnut Products' Acrylic Lacquers, Friction Polish, WoodWax 22 or Stick Wax. This product complies with EN71 regulations for use on toys.			
<b><i>Cellulose Sanding Sealer</i></b>	£9.25	£16.50	£58.72
A quick drying sealer which provides an excellent base for all Chestnut Products' finishes which require the use of a sealer. This formula does not contain harmful petroleum solvents such as toluene and xylene. Complies with EN71 regulations for use on toys			
<b><i>Shellac Sanding Sealer</i></b>	£8.75	£15.20	£54.56
Suitable for use on most timbers and on most interior applications including joinery and lathe work for a higher build, increased gloss and a more hardwearing finish to your final coat. An excellent basecoat for friction and french polishes and waxes. EN71 compliant.			

### 400ml aerosol

<b><i>Acrylic Sanding Sealer</i></b>	£6.50
An easy to apply water-based Sanding Sealer in aerosol form, modified for a very quick drying time. Can be used with all Chestnut Products' Acrylic Lacquers, Friction Polish and Waxes. Does not contain CFCs. Complies with EN71 regulations for use on toys	
<b><i>Cellulose Sanding Sealer</i></b>	£7.50
Our popular Cellulose Sanding Sealer packaged in an easy to use, fast drying aerosol spray form	

## OILS

	500ml	1ltr	5ltr
<b><i>Finishing Oil</i></b>	£8.75	£15.25	£54.56
A blend of oils including tung oil; suitable for interior use (especially kitchens and bathrooms) and exterior use (including garden furniture and ornaments). Forms a seal on wood giving a tough water resistant finish. Several coats will build to a gloss finish if required. This product complies with EN71 regulations for use on toys			
<b><i>Food Safe Finish</i></b>	£8.75	£15.25	£58.48
Food Safe Finish is a clear food grade oil for use with salad bowls, cheese boards and other items which come into contact with foodstuffs. It dries to a soft satin finish with a high degree of water resistance which will withstand wiping with a damp cloth.			
<b><i>Lemon Oil</i></b>	£9.95	£17.95	£66.31
Manufactured using lemongrass oil, Lemon Oil gives a virtually matt, non-tacky finish to bare timber whilst enhancing the feel of the wood and leaving a pleasant lemon aroma. Non-oxidising and water-resistant, Lemon Oil is also ideal for finishing the inside of drawers, boxes and cabinets			
<b><i>Tung Oil</i></b>	£6.95	£12.50	£46.73
The base for finishing oils, this pure oil is suitable for all sorts of applications both interior and exterior, giving a hardwearing, water resistant finish..

## LACQUERS

	500ml	1ltr	5ltr
<b><i>Acrylic Lacquer</i></b>	£10.25	£18.75	£66.31
A water based lacquer which can be used either straight onto bare wood or over Chestnut Products' Acrylic or Cellulose Sanding Sealers. The omission of the Sanding Sealer will require extra coats of lacquer to be applied. This is a quick drying and very hard wearing product. This product complies with EN71 regulations for use on toys			
<b><i>Melamine Lacquer</i></b>	£9.75	£17.25	£62.39
A quick drying, hard wearing lacquer with a melamine additive which provides improved heat and water resistance. Once dry, the lacquer chemically 'cures' achieving maximum durability after seven days. This formula does not contain harmful petroleum solvents such as toluene or xylene. This product complies with EN71 regulations for use on toys			

### 400ml aerosol

<b><i>Acrylic Gloss Lacquer</i></b>			£6.50
<b><i>Acrylic Satin Lacquer</i></b>			£6.50
A hard-wearing, quick drying acrylic lacquer with the easy application of an aerosol in gloss or satin. Does not contain CFCs. Complies with EN71 regulations for use on toys			
<b><i>Ebonising Lacquer</i></b>			£6.50
A quick drying pigmented acrylic lacquer designed to coat most timbers to mimic the classic look of ebony in an easy to use aerosol to ensure a smooth finish. Ebonising Lacquer colours and finishes in one and is hard wearing enough to cope with most applications. This product contains no CFCs.			
<b><i>Melamine Gloss Lacquer</i></b>			£7.50
Our popular Melamine Lacquer in an aerosol for easy application, giving a hardwearing gloss finish with good heat and water resistance.			

## POLISHES

	500ml	1ltr	5ltr
<b><i>French Polish</i></b>	£8.95	£15.95	£57.50
A high quality french polish with a very heavy concentration of shellac to give the traditional amber glow associated with fine furniture.			
<b><i>Friction Polish</i></b>	£9.25	£16.50	£60.44
Chestnut Product's Friction Polish produces a high gloss finish ideal for polishing small items. It has a heavy concentration of shellac which gives a very high build; therefore it is not essential to apply a sealer before application, although a coat of Cellulose Sanding Sealer or Acrylic Sanding Sealer may be applied first if preferred.
